We decide it was time to remove the rainbow. The blue line at the bottom represents our Christian walk...which should lead us to the cross. A special thanks goes to all those who submitted a design, to Jennifer Arvisu, who submitted the design chosen by secretariat, and Ryan Bensheimer, for revising it again and again to our liking. We hope you like it too!

Women's Weekend No. 33

Hello wonderful, supportive community,

The weekend is getting so close now we can hardly contain the excitement! It has been such a wonderful journey. God has blessed us every step of the way. I'm sure we are not telling any previous Rector or Rectora what it feels like to be at this point in time. We do have a few requests. Please don't forget to sign the prayer scroll. This makes you a part of the weekend even if you can't attend it in any other way. It is such a blessing to the candidates and more importantly it ushers in the Holy Spirit for every moment of the weekend.

I would also remind the community of these events that they can participate in:

I could not let this time pass without telling everyone that our weekend #33 team is spectacular and I can't wait to see all the plans they have made come to life. Let us continue to be faithful and fervent in our prayers this week and through the weekend as these men will be challenged to consider & stand firm in what they believe and commissioned to live out Philipians 1:27.

Why I Love Trainings...
By Krista Bensheimer

I know, I know...they always seem to land on beautiful fall and spring days. And there's a list of so many things to do around the house, to catch up on work, or just spend some time finally relaxing after a long week. So why would one actually look forward to trainings? My husband and I have this discussion all the time... four long Saturdays... Do we need to go to all of them? Should we streamline the system somehow? Could the weekends be as effective without them? Would we be as prepared without them? Hmmm...

But the more I ponder the idea, it seems to me that some list will always be there, as will work, as will a nice cup of coffee out on the patio. But this weekend is here and gone as fast as the seasons change. This combination of Christian men and women may never align in this exact way again...and it is an alignment ordained before time and chosen by the all-knowing Creator Himself! Being together in one mind and worshipping together in one spirit fulfills my spirit and ignites me for the weekend. And that bond is everlasting...just look at who you choose to sit by at the next training...chances are it is someone you have served a weekend together with. Oh how good and pleasant it is when brothers and sisters do trainings together!

Upcoming Sequela!!

We are excited to invite our Weekend #33 Pescadores to our Christmas Dinner Sequela on Friday, December 4th at 6pm at Mount Zion Christian Church in Lake Geneva, WI. It is a wonderful time of year to spend time with friends and family. And may I suggest driving through the fantastic lights display at the nearby Grand Geneva Resort? 'Tis the season! More details to come, but save the date for us!

While we're on the topic of sequelas...

Is there anything you would like to see at an upcoming sequela? What motivates you to come and spend your evening with us? Is it more praise and worship? Should we try a barn dance? Would you like to see a bouncy house for the kids? Or what about a game night for the grown ups? You name it, we'll plan it, and we'll all enjoy it together! Please send your great ideas to tresdiascommunication@gmail.com.

It is with great joy that we publish this letter from Eastern Wisconsin...

Exciting Tres Dias news...Kairos Outside Eastern Wisconsin Weekend #1 is here!!

Thanks be to God. A special Tres Dias for women affected by prison called Kairos has been blessed.

We wondered if we could find volunteers and they answered God's call.

We had little hope of finding candidates that would want to attend a 3 day weekend and had been affected by prison. We have a miraculous 25 applications.

Kairos Outside Eastern Wisconsin #1 will be Friday, November 13 to Sunday, November 15 Camp Lucerne- W6460 County Road YY. Neshkoro, WI 54960. Lake Lucerne is located five miles south of Wautoma off of Highway 73. Turn east on County Highway YY and proceed a half-mile to the main camp entrance.

Saturday night, November 14, there is a Walking in Love service and 4th day members are welcome to line the walkway as the candidates move to the chapel. Please be there by 8:00.

You are welcome to attend the closing on Sunday, November 15th. Please be at the camp at 2:00. Kairos does not have Eucharists, we can call this a closing ceremony at 2:30 pm. At least, pray for us.

Regards,

James Kilpatrick
